Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Friday 24 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly dry with sunny spells.

Today:
A generally dry day with bright or sunny spells though cloudier to the north and west. A chance for some patchy light rain or drizzle in the far north of the region during the afternoon. Feeling warm. Maximum temperature 23 deg C (73 deg F).

Tonight:
A dry evening and night with clear spells, although some cloud will spread in overnight. Patchy fog developing under clear spells through the early morning. Minimum temperature 10 deg C (50 deg F).

Saturday:
Any morning fog will clear through the morning to leave a dry day with warm sunny spells and light winds. Maximum temperature 22 deg C (72 deg F).

Outlook for Sunday to Tuesday:
Another largely fine day on Sunday, although turning windy with rain later. Further showers for Monday and Tuesday these heavy at times.
